

FEBRUARY NEWSLETTER

LEADERSHIP CORNER FROM OUR PRESIDENT

Dear Esteemed Members,

It is with a heavy heart that I address you today. Our beloved organization, which has stood as a beacon of hope and support for countless individuals, is now facing an unprecedented financial crisis. The very core of our mission, the objectives that drive us to serve, uplift, and transform lives, is at risk of being compromised.

Over the years, your unwavering support and generosity have allowed us to achieve remarkable milestones. Together, we have touched lives, created opportunities, and fostered a community of compassion and resilience. But today, we find ourselves at a crossroads where the future of our organization hangs in the balance.

Despite our best efforts to navigate the turbulent waters of financial uncertainty, we have reached a critical juncture. Donations have dropped 89% due to loss of principal donors and the ongoing post-pandemic recovery. In addition, our main fundraising event only reached 46% of its target goal. Our resources are depleting, and without immediate intervention, the programs and services that define our essence may cease to exist. The thought of turning away those who rely on us for hope and assistance is unbearable.

Now, more than ever, we need your support. We would greatly appreciate it if you could share this urgent call to action with others who may be willing to help by donating to our cause. Let us unite in this moment of need and demonstrate the power of collective compassion.

Together, we can overcome this challenge and emerge stronger, reaffirming our commitment to those who need us the most.

With heartfelt gratitude and hope,

Paola Herrera
President
BROWARD GOLD COST DOWN SYNDROME
